

## DEEP SOUTH

Daedalus Reef. Rocky Island. Zabargad.

St Johns. Fury Shoal. Elphinstone.

The Deep South - Its one hell of an itinerary.

Taking in many of the Egyptian Red Sea's most remote sites this safari route eats up the nautical miles to provide some of the best diving Egypt has to offer.

Sea Serpent is part of the Sea Serpent Fleet and makes her home at Port Ghalib - just minutes from Marsa Alam Airport.

Sea Serpent alternates between this itinerary and Simply The Best aka Brother, Daedalus & Elphinstone

Simon has moved on from Sea Serpent and is currently (2006) working as a guide and image pro on Royal Evolution based in the south of Egypt ([www.RoyalEvolution.com](http://www.RoyalEvolution.com)).

Simon's misadventures can be tracked on his website. He's hoping to still be onboard Royal Evolution when the new boat starts going to Sudan later his year.
